Global Excellence in Animal Health

Founded in Ireland in the late 1960s, Bimeda is an independent, animal-health focused company that has grown into a global organization serving the needs of veterinarians, producers and animal owners worldwide.

Our wide portfolio covers multiple species, from livestock, swine and poultry, to equines and pets, and even bison and bees. We also offer various dosage forms for optimal convenience: water soluble powders, injectables, topical solutions, oral pastes and boluses.

Bimeda is focused on developing and offering cost-effective, high-quality products combined with exceptional customer service.
